

FINDINGS - EXHIBIT A

Environmental Determination

- A. This project is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. It can be seen with certainty that there is no possibility that this project may have a significant effect on the environment; therefore, the activity is not subject to CEQA.
[Reference: State CEQA Guidelines sec. 15061(b)(3), General Rule Exemption]

Lot Line Adjustment

- B. The proposed Lot Line Adjustment is consistent with the provisions of Section 21.02.030 of the Real Property Division Ordinance because the parcels meet the minimum parcel size for the Rural Lands and Agriculture land use categories.

Coastal Access

- C. The proposed use is in conformity with the public access and recreation policies of Chapter 3 of the California Coastal Act, because the project is not adjacent to the coast and the project will not inhibit access to the coastal waters and recreation areas.
